

High Swivel Stool

Three stools make up the Bowler collection. They share a round upholstered seat, a tubular metal base in black finish, and are all joined by the same footrest ring. The proportions vary: one is low, one medium and the third taller. An essential addition to many projects.

Estudi{H}ac

2022

Creative studio specialized in "bespoke" projects of product design, interior architecture and the creation of ephemeral montages. Tailor, unique, timeless products and projects that amaze onlookers thanks to their initial visual impact and the story behind them. The basis of each project lies in the initial concept, which is where José Manuel Ferrero and his team come up with the story behind each project.

Ref: 400005

Materials

SEAT: Wood covered with flame retardant foam rubber of D. 42 kg.

LEGS: Black lacquered metal F1.

Dimensions

Packaging

Measures	40x40x80 cm
